This image displays three distinct styles of lace trim. The top sample is a wide, black lace with a complex, dark pattern. The bottom-left sample is a white lace with a delicate, open-weave design. The bottom-right sample is a cream-colored lace with a similar open-weave pattern to the white one.

This image displays three decorative borders. The top border is a black lace pattern with a repeating floral motif. Below it are two smaller, square borders: one in light gray and one in light orange, both featuring the same repeating floral motif as the top border.
